

ABOUT ME

Hello, I'm Steven (29) I'm a DJ & producer from the beautiful town of Peiting in Upper Bavaria. I started inspiring people with music at an early age (18) where I play at private parties and small events. At 21, I played my first club shows and inspired people there with my passion and my music. A dream came true for me when I was invited by BIG TIM to play at an event at DISCOPLEX A8 in Saarbrücken in 2022. After that evening, I was accepted by the NMC booking agency. Since that day, nothing has been the same. I travel to the biggest clubs and events such as: STAR FESTIVAL Stuttgart (Germany) // AGOSTEA Karlsruhe (Germany) // Grey Konstanz (Germany) // Discoplex A8 Saarbrücken (Germany) // PM UNTERMEITINGEN (Germany) // FIRE & ICE ISCHGL (Austria) // MEGAPARK (Bulgaria) where I have also found my home as a resident. I also share my music with people in many other clubs in Germany and Europe. I have had the privilege of performing with big artists from Germany and internationally: Fabian Farell, NOISETIME, Le Shuuk, Felix Harrer, MOKABY, but also international greats such as: SAM COLINS, DJ ISSAC, Atmozfears, DJ Honeygee. I then toured and played in many clubs and events and followed my passion and my love for music. I am always looking for challenges and tasks and I will take on new ones.
