The singer, after 8 years of live music experiences, creates the ARTPOP concept, helped by Filippo (guitar), Francesco (drum) and Federico (bass). Live band on stage, pyrotechnic effects, 100% replica costumes, the famous flaming piano, the real spark bra, the only multi-instrumentalist impersonator, dancers.

Supported by some Italian and European fansclub, Gaga's dancers, make-up artist Marissa Jade and Gaga's dress designer Jack Irvin.

We show you the entire career of the original singer, from 2008 to 2019.
