### ***STAGE:***

Minimum stage sizes 10 x 6 mt.  
Backstage next to the stage for changing clothes and relaxing.  
Eventually stools needed for acoustic set during the concert.  
Projection of the band's logo on display.  
Logo in jpeg supplied on USB flash drive or by e-mail.

### ***NOTES:***

The band could perform without a keyboard player in case of needs and/or logistical incompatibility with the stage size and/or the equipment available at the venue. In this case the band will instruct the audio service and the function "15 Laptop DI" will be managed by the drummer.
