Unforgettable moments are guaranteed: The Rev brought back to life in *Critical Acclaim*, the heartfelt chorus of *So Far Away*, the adrenaline explosion of *Nightmare*.

Over the years, they have performed on **major stages** in Milan and throughout northern Italy, adding **international cities** such as Nice, Zurich, Budapest, and Munich to their list.

They are also scheduled to perform at major **upcoming events** such as the Aquarena Festival in Dillenburg and the Hirsch Nürnberg in Nuremberg.

Five musicians, five friends, one single mission: to deliver **the most authentic Avenged Sevenfold concert experience every time**.
