(Nr.2 pages)

- Please contact the band representative at least 2 days before each show to arrange any possible variations on our band's requirements (if needed)
- Heated and covered area near the stage (possibly backstage). Limited entry, secured
- The band consist in 7 members, live sound engineer and occasionally the Manger. Occasionally the band crew is composed of additional two roadies. Please contact the Manager for agreements regarding the Passes.
- Parking: usually the band travels in one van and one car. Safe, secured park place has to be provided for all the band and the crew members. Please contact the Manager for agreements.
- In case of cold weather at least 5 heaters on stage.
- Accommodation/Hosting/Catering: has to be agreed with the band. Preferably hot meal (dinner) for the band members and the crew. Please contact the Manager for further agreements. On venue (recommended): 6x natural juices, 24x water (0,5l), 6x Coca cola (1,5l)
- The promoter of the event must provide full security (both personal and regarding the belongings) for all the band and crew members.
- Contacts: Marko Loredan (Bass) +386 (0)40 463 127
